

ICES Business Meeting

October 5, 2014

Area II Day of Sharing in Tyler, TX
Minutes taken by Twez Shewmake

Welcome by Suzy Zimmermann, Representative

ICES Officers in attendance were introduced.

Jan Morris, Treasurer.

Donna Doyle, Area II Alternate.

Carley King was introduced as ICES Vice President and Representative Liaison.

Jan Morris - Treasurer's Report

We have \$6800 in the bank but that number will change after the deposits and expenses associated with this DOS are recorded.

Since there were a lot of people that had never been to a DOS before in attendance, time was taken to explain what ICES is, what happens at a DOS (Day of Sharing), and that we would be voting on guidelines/standing rules at the November meeting. Ideas for future DOS activities were discussed. Those in attendance really liked the idea of incorporating hands-on activities and also suggested adding "new products" demonstrations.

The value of joining ICES and the new pricing incentive for joining and renewing ICES memberships was explained.

Both Suzy and Carley discussed ICES Board Activities and ICES Convention.

Suzy asked that we write Thank You notes to vendors that support us and provide our raffle prizes.
